

GENERAL LOCATION MAP INFORMATION

A 7.5 Quadrangle map shall be submitted with each application that specifically delineates the proposed project location.

The map shall identify the following items:

1. North arrow, scale and project title, and date prepared.
2. Identify project boundary and list the Section, Township and Range where the proposed trail project is located at the bottom of the sheet.
4. Nearest community and distance from project.
8. Identify trail / road access to trail project.
10. Map paper submittal size 8½ x 11. If necessary, use more than one 8 ½ x 11 sheet.
